A typical day, although no two days are the same.

Your morning will start with tea and coffee served in the lounge of the Duchess. Once prepared breakfast will be available in the Duke. With a range of options from a full English breakfast to yoghurt or a bowl of muesli, we will aim to cater for your every need.

During breakfast the crew will be cleaning your room, making the beds and preparing the boats for the day ahead. After breakfast you will receive a brief of the day's planned route and cruising will begin at 9am.

Morning tea, coffee and biscuits will be served around 11am and we will stop for lunch at 12:30pm. Lunch will be light, options may include quiche and salad or even a BBQ on the towpath. We will then continue cruising until our final stop for the day at 4:30pm where tea, coffee and cold beverages with homemade cakes will be served. You will have time to explore the local area, the nearby pub or simply rest before evening meal at 7pm.

Dinner will be 4 courses, including cheese, complementary house wine is provided during your meal with Port or Sherry with your cheese.

Everything in-between is up to you.... Relax, take part but mostly enjoy the adventure.
